

Product Discontinuation Notification

Issue/Date:	17 April, 2020	Bulletin Number:	AQ04172020
Subject:	Product Discontinuation Notification	Product Line:	LS-HX, MPR, Chlorid
Topic:	Product Discontinuation and Last Time Buy		

Dear Channel Partners and Customers,

Aquafine is discontinuing following products to provide our customers with the most current technology and best customer experience with our standard product portfolio:

1. LS-HX (Liquid Sugar Disinfection)
2. MPR (Chloramines Destruction, Disinfection)
3. Chlorid (Chloramines Destruction, Disinfection)

The intent of this communication is to offer you for these products, the possibility to place a last (final) order. Please assess your product needs and place a final order no later than **May 31, 2020**. Aquafine will not accept orders for the above stated products after this date.

Conditions for final buy offer are as follows:

- All purchase orders are non-cancelable and cannot be returned, and are subject to acceptance by Aquafine
- Last order date: 31st May, 2020

Warranty and After Market Parts Support:

Warranty: Standard Aquafine warranty terms are applicable for any last time buy products.

After Market Parts Support: At this time, we will continue to provide after-market parts and service for these product lines.

Recommended Alternative Product Lines: If you have any of the above listed discontinued products and would like to upgrade to the new equipment, please contact your local Aquafine authorized distributors, RSM or Aquafine. Should you have any question about this notification, please do not hesitate to contact us.

Discontinued Product Line	Replacement Option
LS-HX	OptiVenn or Avant
MPR, Chlorid	TrojanUVSwift

Assistance
