TOPIC:	OBSOLESCENCE OF UV CALIBRATION KIT MODEL 2000	PRODUCT LINE:	Model SCD, Model USD

Dear Channel Partners,

Due to the evolution of UV technology and the commercialization of newer Aquafine UV systems, in 2007 we stopped production and sale of the UV Calibration Kit Model 2000. While we remain committed to supporting customers through their transition to new Aquafine systems, we are no longer able to provide parts and service for the items below.

ITEM DESCRIPTION	PART NUMBER
UV CALIBRATION KIT MODEL 2000	19532
PORTABLE UV SOURCE UNIT	19640
UV FIELD CALIBRATOR UNIT	19646

UPGRADE YOUR SYSTEM

Which replacement Aquafine UV system is right for you? It depends on your current configuration and the features you need and value most. Aquafine offers the UVSwiftBeverage®, UVSwift®SC B Series, Avant Series and Viqua Pro50 systems which incorporate technological advancements that help to reduce the total cost of ownership, lower power consumption, and simplify operation and maintenance.
